

Gregory O. Scott is a pen name for fan fiction writer HandofThrawn45. When Disney rebooted the Expanded Universe in 2014, it brought about the official end of the Star Wars Legends continuity. Yet while no new official Legends books have been released since the official end of the Legends line of books, not everyone has been willing to accept that it would seem. Since 2018, HandofThrawn45 has written a number of fan novels which are intended to close off the loose ends created in the wake of Disney's end of the Legends Continuity.

EMPIRE OF LIGHT

Over ninety years have passed since the destruction of the First Death Star. The galaxy is in a state of peace and the grandchildren of the Rebellion's heroes have become heroes in their own rights.

As Admiral Dave Felt battles to protect Imperial Space from mysterious raiders he comes to suspect that the Empire's greatest threat may lie within. How far will he go to preserve the systems that his father has made?

Meanwhile, Jade Skywalker leads the Jedi into uncharted space to find the truth behind these attacks. The hidden Sith have sent a team of their own, and together both sides will find themselves facing a familiar enemy against which neither can stand alone...
